Turkey is an amazing country with a rich blend of eastern and western culture. Along its stunning Mediterranean coastline and tucked away in the smallest southwest corner, lies the charming, unspoilt exclusive village of Kalkan and its picturesque neighbouring bays.

Kalamar Bay, moments from Kalkan, is as beautiful as it is peaceful providing an idyllic backdrop to our properties.

Each property is immensely private; set in their own landscaped grounds of over 2,500 m2 ending right at the water's edge with a beach platform, jetty, seaside kitchen, shaded dining area and a handy seaside shower offering the ultimate in coastal living.
